

ZKL Bearings (India) Pvt. Ltd.

Presents

World Class  Oil seals

When up-time in your plant is critical, trust the TTO range of elastomeric oil seals to keep you running! TTO - an ISO 9001 & QS 9000 certified company manufactured oil seal with unique hairline. TTO oil seals greatly reduce wear, temperature rise & powerloss, thus ensuring total reliability, durability and equipment efficiency.

This, in turn, results in negligible maintenance cost and longer bearing life.

Benefits

- ▶ Wide Range
- ▶ Extended Service Life
- ▶ Higher Chemical Resistance
- ▶ Low coefficient of friction for less heat generation and lower power consumption
